### HISTORY OF SNO TO GO SOUTH

Hello, and welcome to Sno To Go South, where our goal is your 100% satisfaction. Sno To Go South was founded in July of 1986 and from the outset, our commitment has been to quality and personalized service to make you — our friend and customer — feel welcome and appreciated. If we fall short of any of these goals, please let us know.

Here at Sno To Go South we are always striving to increase the quality of our food and our service. With the exception of a few items, everything we sell is fresh-made daily. We purchase only lean ground beef, which is ground fresh daily at Lakeside Meats. Our chicken strips are the finest you can buy, cut from the heart of the breast to make them tender and juicy. Our enchilada plates are prepared totally from scratch. We make our own enchilada sauce, fresh beans (not canned), and our own Spanish rice. Our onion rings are hand-dipped.

Our commitment to quality had led us to change the oil we use to fry our foods in. We had always fried using a high-quality pure vegetable oil, but as of March 10, 1993, we switched to a 100% pure canola oil which has 50% less saturated fat than even corn oil, and is cholesterol-free.

At Sno To Go South, we prepare each order by hand as we get it. Never do we cook ahead. Sometimes we make mistakes for which we apologize. If this happens, please let us know and we assure you that we will make it right.

At Sno To Go South, we are constantly striving to improve the quality of our food and to make it healthier. We are genuinely concerned about not only serving food that tastes good, but food that is as healthy for you as we can make it.

We like to respond to your special needs. If you don't see it on the menu, ask for it and if we have it, we will make it. We also prepare lunches for shift workers and cook for large groups.

Remember, this is your store and your business is very much appreciated

*The foundation under which  
 Sno To Go South and our personal lives  
 are built upon is found in Galatians 2:20.*

Thank you,  
 Clint & Cindy Kent
